SYNOPSIS

In 1980, a Greek Goddess disguises herself as a mortal named Kira and descends to Earth from Mount Olympus. She is determined to inspire Sonny, a struggling artist living in Venice Beach, California. With Kira's help, Sonny decides to organize the first ever roller disco. While planning the disco, Sonny and Kira fall in love—but love between a mortal and a goddess is forbidden by Zeus. When Kira's jealous sisters conspire to disrupt the roller disco, she is forced to choose between life as a mortal with Sonny or eternity as a goddess on Mount Olympus.
