ARTISTIC DIRECTOR'S NOTES

Dear Hi-Liners Musical Theatre families and supporters,

You may have heard that our home for the last ten years, the Burien Annex, will be closing forever on January 31, 2020. While this is potentially devastating to all of the tenants who occupy and share this space, we are all fighting to survive the sudden and unfortunate development. We at the Hi-Liners Musical Theatre have been extremely fortunate to have been embraced by the Highline Performing Arts Center during the two year remodel going on at the High School. We have been holding weekday classes and rehearsals there since September, and we are now working to move some of our performances there as well. Our search for appropriate venues for all of our spring/summer projects continues, so please keep checking our website and going to our social media for updates.

Thank you to everyone who has reached out to express concern and offer support. People are asking what they can do for us during this challenging time.

First, no matter what, we will not be the same theatre a year from now and we are determined to not only survive but thrive! Please [make a donation to HMT](#) to ensure that we can withstand this unexpected blow. The hard fact is that one day on the stage at the PAC costs the equivalent of one month at the Annex! The venue changes will be very costly, and these new costs were not figured into the budget for the year, so please consider a donation to not only keep the doors open, but to ensure that we have doors - we have never needed it more!

Second, reassure everyone that we are still open for business and encourage actors age 7-18 to audition for Frozen Jr. January 6th/8th. Students as young as 4 can enroll now for spring classes and early registration would be extremely helpful. Healthy enrollment and participation in shows will make all the difference to our survival.

Third, there will be some heavy lifting, literally, so please consider helping us move out of the Annex in January.

Finally, keep doing what you're doing - buy tickets and support the young artists that are the Hi-Liners. Tell everyone you know about these amazing kids in Legally Blonde Jr, January 3, 4, 5 and 10, 11, 12, and FILL THE HOUSE for our final curtain call at the Burien Annex.

Footlights

Ages 4 - 6

Children will practice active listening, following directions, and taking turns, BUT DON'T TELL THEM. They'll think we're just playing games, singing songs, and making up stories.

Imagination Station

Ages 6 - 8

Foundation skills of observation, mimicry, maintaining focus, and cueing are practiced in theatre games, stories and songs. Kids will begin to learn how to collaborate in small groups to create original short plays.

Musical Theatre Playhouse

Ages 9 - 11

The Playhouse is a place to learn to make the physical & vocal choices necessary to create a character. Students will work on the fundamental theatrical skills of vocal projection, making character choices, creating stage pictures, and collaborating with other actors.

Middle/High School

Group Voice

Ages 11 & up

Proper breath control, projection and pitch, as well as harmonizing and reading music will all be touched on in this class. In addition, students will also learn how to pick a good audition piece, how to get their sheet music in the proper key, and how to work a song at home!

Improvisation (Level I and II)

Ages 10 - 16

Learn to think on your feet, be creative on demand and finally get the respect you deserve for being the class clown!

Musical Theatre Fundamentals

This class is designed for students who want to become more serious about the craft of acting. Build confidence, work projection and diction, learn to commit to your acting choices, and increase your chances at your next audition.
